CPE Auto Attendant	3,4,5												
CPE Voicemail													
CPE Public Safety Answering Point (PSAP)													
CPE Tele-Management System (TMS)													
E911 Management System													
DoD Secure Communicator Device (DSCD)	3,4,5,12,SIP 2013												
Mass Notification Warning System (MNWS)	3,4,5												
UC Collaborative Product	3,4,5												
Network Edge Products													
Assured Services LAN (ASLAN) Access IP Switch	4,5,6,7												
Assured Services LAN (ASLAN) Distribution IP Switch													
Assured Services LAN (ASLAN) Core IP Switch													
DSL Access	4,5,6,7												
DSL Repeater	4,5,6,7												
DSL Concentrator	4,5,6,7												
Passive Optical Network (PON) Gigabit PON (GPON), Ethernet PON (EPON) Broadband PON (BPON) (includes ONT, OLT)	4,5,6,7												
Wireless Access Bridge (WAB)	4,5,6,7												
Wireless End Instruments (WEI)													
Wireless LAN Access System (WLAS)													
Customer Edge Router (CE Router)	4,5,6,7												
Multifunction Mobile Devices													
Multifunction Mobile Device (MMD)	4,5,8												
Video Distribution System													
Video Distribution System (VDS)	4,5,9												
Network Infrastructure Products													
Optical Transport System (OTS)	4,5,6,10												
Multi-Service Provisioning Platform (MSPP)	4,5,6,10												
Optical Digital Cross-Connect (ODXC)	4,5,6,10												
D1SN Router	4,5,6,10												
Timing and Synchronization (T&S)	4,5,6,10												
M13 Multiplexer (M13 Mux)	4,5,6,10												
Serial TDM Mux	4,5,6,10												
Network Element Products													
Deployed Network Element (D-NE)	4,5,11,App A												
Fixed Network Element (F-NE)													
Generic Security Device Products													
High Assurance Internet Protocol (IP) Encryptor (HAIZE)	4,5,12												
Link Encryption Family (LEF)	4,5,12												
Security Device Products													
Firewall (FW)	4,5,13												
Intrusion Protection System (IPS)	4,5,13												
Virtual Private Network (VPN)	4,5,13												
Integrated Security Solution (ISS)	4,5,13												
IA Tools (IAT)	4,5,13												
Network Access Controller (NAC)	4,5,13												
Wireless Intrusion Detection System (WIDS)	4,5,13												
Online Storage Controller													
Data Storage Controller (DSC)	5, 14												
Enterprise Network Management System (Products)													
Enterprise Management System (EMS)	4,5,15												
Unique Deployed (Tactical) Products													
WAN Optimization Controller (WOC)	4,5 App A												
Radio Gateway	4,5,App A												
Classified Unified Capabilities Products													
Classified Soft Switch (SS)	2,3,4,5,App B, SIP 2013												
Classified Session Controller (Master, Slave, Enterprise) MSC, SSC, ESC													
Classified Session Border Controller (SBC)
