

JITC Standards Research (JSR) Request Submission Form - Instructions

**Note: This form is for JITC personnel only. If you are outside of JITC, please contact the NR-KPP Helpdesk (NR-KPP_Helpdesk@disa.mil).

SUBMITTER INFORMATION

* Provide contact information to include JITC Portfolio. *All fields are mandatory.*

Description of Requested JSR Support

* Type question regarding JSR methodology, assistance, J-RAD tool, or any other JSR topic. You may provide additional details regarding your system, last JSR request, or any other supporting details.

Standards Risk Assessment Request

* Only complete this section if requesting a full JSR Standards Risk Assessment. *All fields are mandatory.*

* Provide your program or system name, and spell out all acronyms.

Example: Distributed Common Ground System (DCGS)

* Attach the list of standards you need researched for risk analysis. At a minimum, a Technical View (TV)-1 or TV-2 is required for a risk assessment.

Example docs: TV-1: spreadsheet, pdf, or Word document. TV-2: spreadsheet, pdf, or Word document. System View (SV), Operational View (OV), or other clarifying documentation.

* Provide a date by when you need risk information. If several iterations will be needed, please communicate these details in the **Description of Requested JSR Support** field.

Example: If you need a TV-2 risk assessment by June 14th and a TV-1 risk assessment by July 1st.

* If further explanation is needed, please use the previous section, **Description of Requested JSR Support**.
