DICE 04 Tests and Assessments

- Common Baseline Circuit Switch Certification (CBCS)-Marty Mendoza (Cert)
- Moonv6 Internet Protocol Version 6 Assessment (IPV6) Major Dixon (Demonstration)
- Automated Network Information Flow (ANIF)- Major Dixon (Assessment)
- Theater High Altitude Air Defense Voice Communication System (THAAD) (VCS) Major Dixon (Assessment)

DICE 04 Tests and Assessments

- Lightweight Mobile Satellite Terminal-V Certification (LMST Block 5)- Bill Johnson (Cert)
- *Quad Dual Hub Terminal (QDHT)- Bill Johnson (Cert)
- Gateway Mobile Terminal (GMT)- Bill Johnson (Cert)
- Defense Messaging System- Capt Dunbar (Cert)
- Joint Network Management System (JNMS)- Elester Jackson (Cert)

DICE 04 Tests and Assessments

- Multiplexer Integration and Defense And Communication System (MIDAS)- Elester Jackson (Cert)
- Enhanced-Tactical High Speed Data Network Certification (E-THSDN) Don Hann (Cert)
- CSS Automated Information Systems Interface (CAISI)- Don Hann (Re-Cert)
- Tactical Local Area Network (TACLAN)- Don Hann (Cert)
- MSQ-126- Jim Bennett (Cert)

Funding Overview

System	Status	Remarks
CBCS	Certification	Mission
Moonv6/IPv6	Demonstration	Reimbursable
ANIF	Assessment	Reimbursable
THAAD	Assessment	Reimbursable
LMST-V	Certification	Mission
QDHT	Certification	Mission
GMT	Certification	Reimbursable
DMS	Certification	Reimbursable
CAISI	Certification	Reimbursable
JNMS	Certification	Reimbursable
MIDAS	Certification	Reimbursable
E-THSDN	Certification	Reimbursable
TACLAN	Certification	Mission
MSQ-126	Certification	Reimbursable
