

JDEP Technical Working Group Overview

George Rumford
JDEP Program Office

JTWG-02

JDEP Management Structure (Augmented)

Purpose of the JTWG

- Define (and Refine) the JDEP Technical Framework so that we can achieve the JDEP Vision
- Open Dialogue between JDEP Users, JDEP Resource Owners, and JDEP Infrastructure Manager
 - Obtain Feedback from JDEP Users
 - Identify Issues & Lessons Learned
 - Provide Forum for Technical Exchange
 - Investigate & Discuss Concerns
 - Consider New Technologies & Other Efforts to Leverage
 - Debate Trade-offs & Make Design Decisions
 - Resolve Issues & Move Forward

JDEP will become what we make it!!

Rules of Engagement

- If you're confused, **ASK!**
- If you disagree, **SAY SO!**
- Make suggestions on how things ought to be
- Strive to be polite (but it isn't a requirement)
- Minimize multiple conversations
- Consider if you have a different viewpoint, or just a different definition of terms
- Anyone can ask a question (not just table-sitters)

Your participation is essential for success
