

# Directions to Ft. Huachuca From Tucson International Airport

## DIRECTIONS FROM TUCSON INTERNATIONAL AIRPORT TO FORT HUACHUCA

The only road out of the Tucson airport will be Tucson Blvd. Proceed approximately 1/2 mile to the first stoplight (Tucson Boulevard and Valencia Road).

Turn right onto E. Valencia Rd, continue approximately 2 miles on Valencia Rd. until you come to the Interstate 10 on-ramp. *The on-ramp is to the right just before the stoplight going under I-10 (this is well marked—I-10 East to El Paso).*

Continue approximately 35 miles on I-10 to Exit 302. Take the off-ramp to Ft Huachuca/Sierra Vista. At the bottom of the ramp take a right—this will put you on Highway 90.

Proceed approximately 30 miles on Highway 90.

You can access Ft. Huachuca through either the Main Gate (open 7 days a week, 24 hours a day), or the East Gate (open Monday – Friday, 0500 to 1900).

For visitors who do not have either a CAC or a military ID, you may show your driver's license at the gate.
