Pre-solicitation notice RFP HC1028-10-R-2010 (amended)

The upcoming Defense Information Systems Agency (DISA) Test & Evaluation (T&E) Mission Support Service (MSS) solicitation will provide test and evaluation support for the DISA T&E Management Center (TEMC) and the DISA Joint Interoperability Test Command (JITC), in order to fulfill their DISA T&E mission. The Contractor will be required to support tasks to perform a wide range of non-personal services to encompass testing, scientific, engineering, logistic, administrative, purchasing, and ancillary support of the DISA T&E mission. The services will include all support aspects, including the operation and maintenance of the test tools, labs, networks and infrastructure, and administrative support cells. The Contractor will be required to have familiarity and knowledge of all aspects of the technical and operational characteristics of selected Command, Control, Communication, Computer and Intelligence (C4I), Automated Information Systems (AIS), Information Technology/National Security Systems (IT/NSS), tactical, strategic, and other equipment/systems, and joint and combined architectures and standards used by DoD and Government.

This is a pre-solicitation notice that the final request for proposal is currently estimated to be posted on FedBizOpps on or about 5 January 2011.

Contractors will be given 45 days for preparation of proposals from the posting date of the solicitation announced in FedBizOpps. Past performance questionnaires will be due 2 weeks prior to the deadline for proposals.

The resultant contract will be a multiple award IDIQ contract with Firm-Fixed-Price and Cost Reimbursable CLINS. It will have a one year base ordering period with (4) one year option ordering periods.

The final RFP will have a new solicitation number to reflect the new fiscal year.
