MEMORANDUM FOR: Program Manager, Naval Air Systems Command, Air  
Combat Electronics (PMA-209)

Attention: CAPT R. I. Portnoy (PMA-209)

Subject: Time Division Multiple Access (TDMA) Certification Waiver for the  
AN/ARC-210 RT-1851(C) Radio

1. Ref (1) requests a Time Division Multiple Access (TDMA) Certification Waiver for the AN/ARC-210 RT-1851(C) radio for JITC Assessment 10-39031.25-7204. Joint Staff grants a 2-year TDMA certification waiver per CJCSI 6251.01C effective immediately with an expiration date of 31 January 2013.

2. The JITC Assessment identified the potential for this radio to produce friendly jamming and transmission disruption at higher power levels. Operators of this radio must comply with power limitations identified in Tables 1-2, 1-3, 1-4, and 1-5 of the JITC Assessment. The Program Manager can apply for a lifetime waiver at the end of this 2-year waiver period if the radio has performed satisfactorily.

3. This certification waiver does not authorize or guarantee access. The applicable communications planner will validate access requests based on an approved SATCOM Database (SDB) entry. Respective SATCOM Support Centers are the authorization authorities. This certification waiver will be reflected in the SDB.

4. Joint Staff point of contact is LCDR Chadwick White, Narrowband SATCOM Action Officer, J-65A, (703) 692-1235, DSN 222-1235, email: chadwick.white@js.smil.mil.
