From: Chief, DCTS Program Management Office

Date: 14 October 2003

Subject: DoD Collaboration Interoperability Testing Program
Statement of Non-Applicability

Dear Mr. Stahl:

Upon evaluation of capabilities provided and protocols employed, it has been determined that Frontier Technology, Inc.'s Integrated Desktop Analysis and Planning System (IDAPS) does not fall within the DoD requirement for collaboration interoperability certification in accordance with DoD Collaboration Interoperability Test Criteria version 8.6.

If the certification test criteria change, or if a revision of the product is released, re-evaluation will be required.
