From: Chief, Collaboration Management Office

Date: 30 January 2004

Subject: DoD Collaboration Interoperability Testing Program
Statement of Non-Applicability

Dear Mr. Miller:

Upon evaluation of capabilities provided and protocols employed, it has been determined that Strictly Business Computer Systems' KnowledgeDispatch, versions 3 and 3.5, do not fall within the DoD requirement for testing for collaboration interoperability certification in accordance with DoD Collaboration Interoperability Test Criteria version 8.6.

If the certification test criteria change, or if a revision of the product is released, re-evaluation will be required.
