From: Chief, DCTS Program Management Office

30 July 2003

Subject: DoD Collaboration Interoperability Testing Program
Statement of Non-Applicability

Dear Mr. Sauve

Upon evaluation of capabilities provided and protocols employed, it has been determined that Tomoye Simplify 3.1 does not fall within the DoD requirement for collaboration interoperability certification in accordance with DoD Collaboration Interoperability Test Procedures version 8.6.

If the certification test procedures change, or if a revision of the product is released, re-evaluation will be required.

Allen R. Hynes
Chief, DCTS Program Management Office, APD3
